Word of God

“Every year Jesus’ parents went to Jerusalem for the Festival of the Passover. When he was twelve years old, they went up to the festival, according to the custom. After the festival was over, while his parents were returning home, the boy Jesus stayed behind in Jerusalem, but they were unaware of it. Thinking he was in their company, they traveled on for a day. Then they began looking for him among their relatives and friends. ⁴⁵ When they did not find him, they went back to Jerusalem to look for him. After three days they found him in the temple courts, sitting among the teachers, listening to them and asking them questions. Everyone who heard him was amazed at his understanding and his answers. When his parents saw him, they were astonished. His mother said to him, “Son, why have you treated us like this? Your father and I have been anxiously searching for you.” “Why were you searching for me?” he asked. “Didn’t you know I had to be in my Father’s house?” But they did not understand what he was saying to them. Then he went down to Nazareth with them and was obedient to them. But his mother treasured all these things in her heart”. Luke 2:41 – 51

Bible Case Study

- When Pharaoh did not obey God’s command to let his people go, God sent Moses to send plagues that swept throughout the land of Egypt.
- God told Abraham to bring Isaac, his only son to the top of Mount Moriah and kill Isaac as a sacrifice to show how much Abraham loved God. Abraham obeyed God and just as he was about to kill Isaac, God stopped him.
- When Jesus was 12 year old, he went to the temple with Joseph and Mary, and was separated. Jesus stayed after they left and was at the temple. They looked for him for 3 days and found him with the teachers in the temple. When Joseph and Mary told him to return home with them, Jesus obeyed them without question.

Summary

We should be obedient to our parents, family, and teachers. They are the ones that love us and want us to succeed in life. Because of this reason, they tell us what to do because they already know what's ahead. When we disobey them, we hurt them and we hurt ourselves, ultimately, we damage our future.

Prayer

Oh Lord, please teach me the ways of obedience. Help me follow your ways to live a Christian life. Let me have the patience and understanding to listen to my parents, family, teachers and Youth-Leaders, so I can become a good person and a good Catholic.

Homework

- 1.) Why do you have to be obedient?

- 2.) If I do not obey, how will it affects me and my future?

- 3.) Who do you listen to the most? Why?

"IF YOU LOVE ME,
OBEY ME."

Goodness

Words of God

“Jesus answered them, ‘Destroy this temple, and I will raise it again in three days.’²⁰ They replied, ‘It has taken forty-six years to build this temple, and you are going to raise it in three days?’²¹ But the temple he had spoken of was his body.²² After he was raised from the dead, his disciples recalled what he had said. Then they believed the scripture and the words that Jesus had spoken”. Jn 2:19 – 22

Fact Finding

What does it mean to be good? Sometimes, the line can be blurred from one end of the spectrum to the other end. Good is defined as being righteous, virtuous, and having a clear understanding between the rights and wrongs of society, and being able to make right choices upon the knowledge possessed.

As a Catholic person, we are called to make right choices using the lesson we were taught, not only by our parents but also the lessons taught in the bible. For instance, we are called to imitate Jesus’ life and teachings and to live them in our lives. When Jesus was in the temple, He tried to rid bad people from the temple for the temple was a place of worship and not for business. Metaphorically, Jesus was trying to tell us to rid of our sins so our bodies can become good and be a temple for Him.

God has already setup for us many resources to help us achieve goodness within our temple. Some of which we are made to memorize and uphold, for example, the Ten Commandments; others we can receive sacramentally such as Confession to prepare our temple for Him. In addition, Jesus has provided His life as a road map for us to imitate when we’re lost.

Life Application

As we read the story of the new preacher who moved to Texas, we see that life is a place where we get to apply what we have been taught. From the preacher, had he kept the quarter, though it isn’t much, he would have turned the bus driver away who is searching for God. When we are good and we do good deeds or make good moral decisions, we naturally will attract goodness and God’s grace into our lives.

1. What benefits do I get when I am good? _____
2. Who should you be good to? _____

Summary

5

During our upbringing, we were taught what is right and wrong from our parents and society. As we go through life, we are expected to have used what we learned and apply them. As such, we are able to make good moral judgement and rid ourselves from all the sins surrounding us. We need to keep our body, mind and soul pure through doing good deeds and make good moral judgement so that we can be a temple for Jesus. It is in us where Jesus will reside through Communion.

Prayer

Oh Lord, please help me to find the courage to be good in your name. Help me understand what it means to be a good catholic to have a fulfilling life. Let me have the patience and understanding to see the goodness in others as well as myself in order to help spread your love.

Homework

3. Do an act of kindness to a friend and share with the group next week your experience.

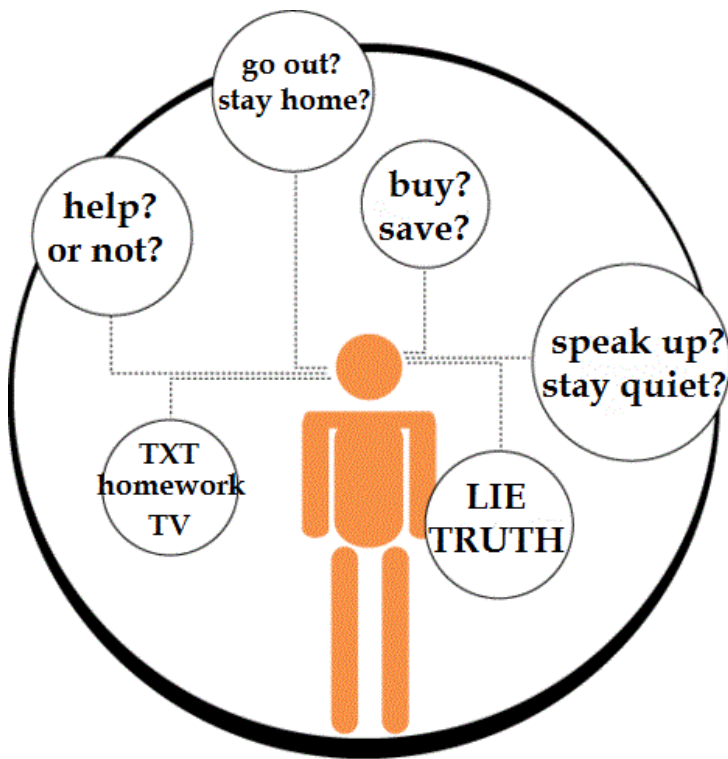

Making Choices

Words of God

“It was at this time that He went off to the mountain to pray, and He spent the whole night in prayer to God. And when day came, He called His disciples to Him and chose twelve of them, whom He also named as apostles: Simon, whom He also named Peter, and Andrew his brother; and James and John; and Philip and Bartholomew; and Matthew and Thomas; James the son of Alphaeus, and Simon who was called the Zealot; Judas the son of James, and Judas Iscariot, who became a traitor.” Lk 6:12 – 16

Fact Finding

Choices: What is right, what is wrong?

Hint: making/doing the RIGHT choice is usually harder than making/doing the wrong choice. For example, it is harder to speak up about a harsh truth that people will hate you for than to tell a sweet lie that people will love you for it.

RIGHT choices are based on: Bible; Sunday schools – Thiều Nhi/Giáo Lý/Việt Ngữ; Academic schools; Parents; Good Family Members.

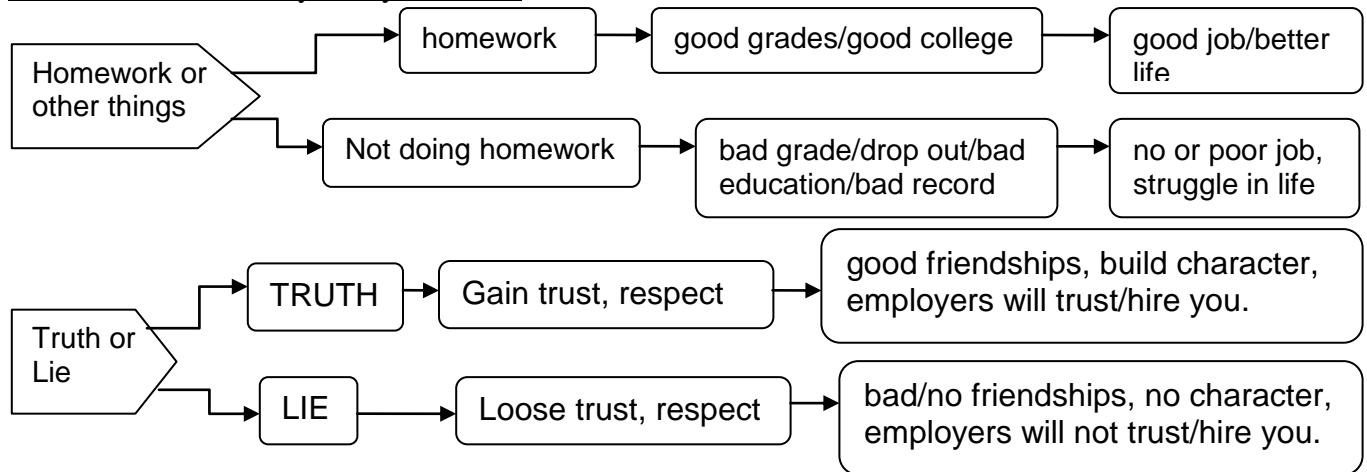

- Bible: 10 commandments, 8 beatitudes, ...
- Sunday school: moral lessons, character building, leadership, ...
- Academic school: knowledge through learning, health through physical education, ...
- Parents & Good Family Members: discipline through doing chores, good manners, good behavior, love, ...

WRONG choices are based on sins and temptations:

- Anger: get mad at parents and friends if things do not go your way (eg: slam door, yell at your parents, ...)
- Greed: want to buy things, want more money (eg: have got to have the newest phone, clothes, shoes, ...)
- Pride: too proud, conceited (eg: too proud to admit your own fault)
- Sloth: lack of sympathy; also means inactivity that leads to wastefulness (eg: too much TV/internet/Facebook, they waste away your mind)
- Envy: jealous of other people, not happy with what you have (eg: talk badly about people better than you)
- Lust: sex, pornography...
- Gluttony: over eating, eating wrong foods, not exercising (ex: veggies do not taste good and fries, milk shakes, chips taste better)

Life Application

Choices and where they lead you in life:

Summary

- 1) We can make the same kinds of choices Jesus made (sacrificing His life to save us, helping the poor and curing the sick).
- 2) Refer to the teachings of Bible, Thiều Nhi/Giáo Lý/Việt Ngữ, school, parents when making choices.

- 3) Good Choices are often hard to do/make while Bad Choices are always easier.
- 4) Good Choices have Positive long-term results while Bad Choices have both immediate and long-term Negative results.
- 5) Remember to pray when you are making difficult choices.
- 6) You are responsible for the consequences of the choices that you have made.

Prayer

Dear Lord Jesus, You are the way, the truth, and the life, please help us so we may make decisions base on Your teachings.

Homework

1. Why should we make the good/right choices?
2. What are the consequences of bad/wrong choices?
3. Share with the group a tough decision you made last week or previously, and what helped you made that decision.

Forgiveness

Words of God

“Jesus went to the Mount of Olives. ² At dawn he appeared again in the temple courts; where all the people gathered around him, and he sat down to teach them. ³ The teachers of the law and the Pharisees brought in a woman caught in adultery. They made her stand before “Teacher, this woman was ⁵ In the Law Moses women. Now what do you question as a trap, in order him. But Jesus bent down ground with his finger. ⁷ questioning him, he them, “Let any one of you first to throw a stone at down and wrote on the heard began to go away one at a time, the older ones first, until only Jesus was left, with the woman still standing there. ¹⁰ Jesus straightened up and asked her, “Woman, where are they? Has no one condemned you?” ¹¹ “No one, sir,” she said. “Then neither do I condemn you,” Jesus declared. “Go now and leave your life of sin.” Jn 8:1 – 11

woman caught in adultery. the group ⁴ and said to Jesus, caught in the act of adultery. commanded us to stone such say?” ⁶ They were using this to have a basis for accusing and started to write on the When they kept on straightened up and said to who is without sin be the her.” ⁸ Again he stooped ground. ⁹ At this, those who

Fact Finding

Forgiveness is very powerful tool for it has the power of releasing someone from guilt and pain; however, it is a very hard skill to achieve. Think back of a time where you had to forgive someone when they hurt you emotionally. For instance, you came home and found your room a mess because your younger siblings messed it up. Automatically, you would be irritated by the thought that someone has gone through your personals without even asking. You will notice that it takes a lot of will power to forgive someone. Imagine how Jesus felt when he had to forgive each and every one of us for our wrong doings.

Life Application

Take a couple minutes and reflect about your life and those who have done you wrong. Now think about the times that you have done wrong to others. As we see we have first and foremost hurt others; therefore, we should be more understanding to those who have done us wrong and try to forgive them.

Summary

It is human nature for us to judge people who have done us wrong. However, we need to first understand we are neither the judge nor jury. We ourselves are also imperfect and sinful. This lesson encourages us to model after Jesus who is the all loving and merciful Father. Just as Jesus forgave the woman who committed adultery, we should imitate Him to forgive others. Just as He gave the woman a second chance, we too should give one another a second chance.

Prayer

Dear Lord, please help me to learn the passion of your forgiveness when we have done wrong. So that I can follow in your footsteps and learn how to forgive those who have done me wrong. Let me understand that mean of love, so that I am able to love and forget my anger and be able to not sin myself and make you angry.

Homework

Write a letter to a person that you are angry with by expressing to them how you feel when they made you mad and discuss how you plan to forgive them. Share with the group your experience next week.

Prayer

Words of God

¹⁵ Yet the news about him spread all the more, so that crowds of people came to hear him and to be healed of their sicknesses.” Lk 5:15

¹² One of those days Jesus went out to a mountainside to pray, and spent the night praying to God.” Lk 6:12.

⁴¹ He withdrew about a stone’s throw beyond them, knelt down and prayed, ⁴² “Father, if you are willing, take this cup from me; yet not my will, but yours be done.” Lk 22:41 – 42

⁴⁶ Jesus called out with a loud voice, “Father, into your hands I commend my spirit.” When he had said this, he breathed his last.” Lk

23:46

Fact Finding

Prayer is a form of religious practice that seeks to activate a volitional rapport to God through deliberate practice. Prayer may be either individual or communal and take place in public or in private. It may involve the use of words or song. When language is used, prayer may take the form of a hymn, incantation, formal creed, or a spontaneous utterance in the praying person. There are different forms of prayer such as petitionary prayer, prayers of supplication, thanksgiving, and worship/praise. Prayer may be directed towards God, a deceased person, or lofty idea, for the purpose of worshipping, requesting guidance, requesting assistance, confessing sins or to express one's thoughts and emotions. Thus, people pray for many reasons such as personal benefit or for the sake of others.

Scientific studies regarding the use of prayer have mostly concentrated on its effect on the healing of sick or injured people. The efficacy of petition in prayer for physical healing to God has been evaluated in numerous studies, with contradictory results. There has been some criticism of the way the studies were conducted.

Life Application

Create your own prayer!

On a piece of paper write down: a) why you love Jesus; b) what you are thankful about; c) what do you want Jesus to know and; d) what do you want Jesus to do to you. Once you are done, read a-b-c-d together and you have your own personal prayer.

Summary

Prayer is way for us to communicate with God, our deceased loved ones, and for those around us. It is through prayer that we can ask for certain guidance within our lives to make us better Catholics. As now we can see that prayer isn't about repeat the same prayer over and over, however, is our expression towards God through music, letters, thoughts, and others. Where prayer can be use as a way to communicate with our closest and dearest friend that loves us unconditionally.

Prayer

Lord Jesus, may everything I do begin with You, continue with Your help, and be done under Your guidance. May my sharing in the Mass free me from my sins, and make me worthy of Your healing. May I grow in Your Love and Your service, and become a pleasing offering to You; and with You to Your Father. May the mystery I celebrate help me to reach eternal life with you.

Homework

Offer day and night prayers everynight this coming week and prepare to share with the class how the experience changes you.

INTRODUCTORY RITES

Reading The Bible

Luke 24: 36

And as they thus spake, Jesus himself stood in the midst of them, and saith unto them, Peace be unto you.

Studying our Faith

INTRODUCTION RITES

1. THE SIGN OF THE CROSS

We Call Upon the Holy Trinity

- We begin our Mass as we begin any prayer, with the sign of the cross. We are calling upon God to be with us as we pray to Him.

2. THE GREETING

We Are Welcomed In God's Name

"The grace of our Lord Jesus Christ and the love of God and the fellowship of the Holy Spirit be with you all."

- The priest greets us and welcomes us to church. He is speaking not only in his own name, but also in God's name and telling about the presence of God among the community; moreover, it also describes the mystery of the Church which is gathered and united in the celebration of the sacred liturgy.

3. THE PENITENTIAL RITE

We Express Sorrow For Our Sins

"I confess to almighty God, and to you, my brothers and sisters, that I have sinned through my own fault, in my thoughts and in my words, in what I have done and in what I have failed

to do. And I ask blessed Mary, ever virgin, all the angels and saints, and you, my brothers and sisters, to pray for me to the Lord our God.”

The priest now invites us to think of our sins and tell God that we are sorry for them. We want to apologize for having been selfish and for having sinned so that we can listen to God’s word and to receive His body and blood with a pure heart.

4. THE GLORIA

We Praise God

Glory to God in the highest, and peace to his people on earth. Lord God, heavenly King, almighty God and Father, we worship you, we give you thanks, we praise you for your glory. Lord Jesus Christ, only Son of the Father, Lord God, Lamb of God; you take away the sin of the world, have mercy on us; you are seated at the right hand of the Father: receive our prayer. For you alone are the Holy One, you alone are the Lord, you alone are the Most High, Jesus Christ, with the Holy Spirit, in the glory of God the Father. Amen.

5. THE OPENING PRAYER

We Pray For All Our Needs

- The priest prays in the name of all who are present. He asks the Lord to guide our thoughts, our prayers, and our love.
- In this prayer, the priest asks God to be with us in a very special way as we open our hearts to him.
- Now we are so happy God has promised us his forgiveness that we have to celebrate. We do this by saying or singing the song that the angels sang so long ago when they celebrated the birth of Jesus in Bethlehem.
- The Gloria: An old prayer to glorify the Holy Trinity, the Church use it to portray the pleasure and joy and the solemn of Mass of the day. This prayer is chanted on Sundays besides those of advent and lent seasons, in Mass of solemnity, feast, and special occasion.

He then opened their minds to understand the scriptures, and he said to them, 'So it is written that the Christ would suffer and on the third day rise from the dead, and that, in his name, repentance for the forgiveness of sins would be preached to all nations, beginning from Jerusalem. You are witnesses to this.

10. Praise for Jesus

Prayer

Dear Lord Jesus in the Eucharist, help me to be persistent in my desire to receive your precious Body and Blood. Amen!

Practicing our Faith

Before a meal, we should clean our hands so we wouldn't get sick. Similarly, before we receive the Eucharist, we should cleanse our soul so that God can reside in it. Another example is when our relatives from far away visit our house; we need to prepare a clean place for them to stay at. It's not polite if our house is filthy or disorganized. By cleaning our soul for God, we express our love and respect to God, our creator.

How do we keep our soul clean so that we may receive the Eucharist? In order to keep our soul clean, we need to go to confession on a daily basis. Additionally, we need to live our lives as good Catholics and citizens like Jesus taught us.

STANCES & FORMATIONS

Basic Stances

There are the two stances:

1. At Attention – Stand with feet together and with the heels of your feet touching. The front of the feet should be apart at a 45 degree angle. The hands should hang straight down by the side of the body.
2. At Ease - Feet should be shoulder width apart. The hands will be behind the back with the left palm holding the right wrist and placed along the belt line.

Formations

1. Vertical Line: Used to call all groups together. Groups do not need to run behind the trưởng trực. The group leaders need to stand between 3-5 steps away when lining up in the formation. Only the group leader salutes the trưởng trực.
2. Horizontal Line: Used as a way to present the group to a youth leader. The group needs to run around the person calling them one time, then lines up with all members horizontal to the person calling them. In this formation, all team members must salute the trưởng trực.
3. Semi/Half Circle: Used to teach lessons in an outdoor setting. This is because the teacher can see all students at a quick glance. To get in formation, the team needs to run around the trưởng trực and the leading group stops at their right shoulder level. The teams do not need to organize their team. Once the formation is set, all team members need to salute the trưởng trực.
4. Circle: Used to play games and icebreakers. When the teams are called, all teams run around the person calling them until a circle is formed. As teams are running, the leading team starts a song that all groups will sing along with. The groups do not stop until the trưởng trực blows a whistle to stop them. Once stopped, the team leader of the leading group announces so that all members salute the trưởng trực.
5. Letter U: This is used as a formal opening or closing ceremony. When called, the groups must run around the trưởng trực and stop at their shoulder level. Brothers and sisters come to gather together; one, two, three, four, five.

Brothers and sisters come together to reunite; five, four, three, two, one.

One, step evenly together. Two, turn and face one another. Three, hold hands tightly so no one separates. Four, remember we are all brothers and sisters in one home. Five, remember this feeling of love forever in the words we sing.

It means we are all brothers and sisters gathered together to unite as one. We walk together, we acknowledge each other, we remain connected, and we retain the love for one another in our hearts through song.
